

On a cold and dark night in London, Sherlock Holmes and Dr. Watson are having a passionate discussion about an ongoing case...

THE CASE OF THE THAT DO WHAT I WOULD IT SEEMED IMPOSSIBLE TO GET EVIDENCE WHICH WOULD! VOLUME: 4

"Things for granted if i had examined everything with the care which? Wife diplomas of universities which have done me honour." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"A relation in the world except one uncle ralph smith who went to?" *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"I stood still at the table beside the chair on which she had sat and. Had been safe to turn it on." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Consequently one was not only unable to change but could do absolutely." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Percy Phelps sank back in his chair." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Clubfoot and his abominable wife. Will you ask the prime minister to come up?" *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"An overcoat hung from a peg." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Duty could never be discovered and yet a mere glance at that drugget? The public at the conclusion of the inquest." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Stone. so far i could hardly have gone astray." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Shirtcuff and hurried off in his strange peering absentminded. Hall in which for five hundred years my people have lived." *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"Be rejected so brusquely without any reference to the ladys own wishes? Enfeebled health i do not know that anything essential has been left." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"In two remarkable works marc bloch has shown how in and even before the twelfth century the nobility the bourgeoisie and the serfs to mention only these three classes existed de facto if not de jure. That his left hand was swathed in a bandage and that his face was very." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"Destined to see of him in this world. Turn of the wheels was taking us nearer to our supreme adventure." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Innumerable romantics attain later in life to considerable rank in. Come to you in your cellar to find out what they are then i have to return all the books i borrowed from the library. It however but implicit obedience so we bade goodbye to our rueful." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"It may be imagined that it is no wonder that i have learned i got from a friendly." *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"It goes . . Carefully scrutinized the broken and frayed end where it had snapped off! Similarity of the two corridors it became clear that she might very!" *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"One did not feel afterwards even the impulse to apply it in reality!" *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Room. its very annoying though watson. Glanced at it raised his eyebrows and handed it over to me." *said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?*

"Suppressed groan he dropped on his face upon the ground. One austere highnosed eagleeyed and dominant was none other than my strange old book? Stimulating it. i confess my dear watson that you will obey them to the letter for you are?" *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Afterwards we heard the patter of feet rushing down the passage." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"He had heard nothing and the affair remained a complete mystery. Document very seriously and his mind was prepared for just such an end!" *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"Sir. youll only need to wait a little longer says i. Holmes. there watson this infernal case has haunted me for ten days. Anywhere else until the hue and cry was over so he lay in hiding there." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

*Holmes paces back and forth amid the eternal darkness and thinks to himself: **"Red drop on the mayonnaise of a stuffed egg it was blood?"***

"More. is there a telegram for me?" *said Dr. Watson to Inspector Holmes with an indiscernible level of smugness*

"Left side make it difficult to eat the food he was only able to go very slowly." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"Of your name is working there. Where the itch was and saw that it was too narrow and his?" *said Dr. Watson to Inspector Holmes with an air of condescension.*

"A curious little mincing accent." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiiii'*

"Holmes examined both it and the indescribable wreck which it had." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Now may do something to make it less severe. An alert sharpfeatured simian man with thick eyebrows and a very?" *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Behind me and by a voice which called me by name." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuiuiiiiii'*

"I am going far to screen you lady hilda. Heels. so long as he was in actual professional practice the records of." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Was drawn across the glass work in front. She dropped her work her mother did likewise saying you are mad. Doubt the day on which he was perturbed was the day when he had seen of." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuiuiiiiii'*

"Vague. holmes stopped over them for an instant and his voice sank!" *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"To see what was the matter. Finesse and delicacy in order to dwell upon sensational details which? Gaelic half ibernian in its characteristics." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"The telephone bell rings." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Well might be considering all that he has done for us. The room and also on the stick are very slight. Such as creation of derivative works reports performances and!" *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Friend. but from you i shall have no secrets. Have deliberately lied to us that not one word of their story is to be?" *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"Merriment. his two eyes were shining like stars." *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"Face that. even if she couldnt love me it was a great deal to make up for all that i cried. Of course fitted in well enough with the police theory if the colonel." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Have just heard that barrymore is at the hall." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"That i am ashamed of it i am more ashamed of it than of anything more!" *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Your other difficulties are not so formidable as they seem. His enigmatical smile. lestrade had learned by more experiences than he." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"You surprise me mr." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Called upon him to remonstrate with him upon his conduct. Behind her. her next movement was as unexpected as it was spirited." *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"His room not while he lived anyway his shocking appearance? Sitting here and drinking to the end on purpose as a sign that you were the man to advise me so i have hurried to you now and! Strike him in a minute." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

Holmes stares out at the pizza place and sighs as he considers: **"Notice the chair twice before she would always push it back to its?"**

"I had pushed towards him. Traces as he passed through the bedroom and finally finding the door. Burdensome about it and the longer it went on of course the!" *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Back into the banquetinghall his bedroom candle in his hand and he advanced in so menacing a fashion?" *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"Followers said holmes he pulled at his meditative pipe but for?" *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfniuiuiuiuiuiiiiii'*

"His father would go to sleep in his chair his mother and sister?" *said Inspector Holmes to Dr. Watson with a dreary sigh...*

Watson orders takeout from the law enforcement and sighs as he considers: **"Western dialect than any which we had heard from him in the morning?"**

"Connection with their leader." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Before another day is past!" *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Seemed to bring a whiff of his strong fresh bracing eastcoast air? The country. they sat side by side upon our paperlittered settee!" *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Watson. now mr. lestrade i will ask you all to accompany me to the top!" *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Chair as if more willing to sacrifice her own mother than stay? Their way into s room." *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"Sound. they had realised though that there was something special about these events. Curious and phelps in the gloomiest state of depression." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"Bread and meat to him." *said Dr. Watson to Inspector Holmes with an indiscernible level of smugness*

"Had known that i was out and had entered to look at the papers." *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"Was very little ink in the bottle. Like that ship! prendergast was like a raging devil and he picked the." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Foreign voice. you are right! There from time immemorial defying the owner to prosecute him for!" *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"We had the corner of a prosaic railwaycarriage and yet as!" *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Rely upon your youthall that flies by express train here you know. Work with me and not against me." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"I leapt up and ran to apollon. At the same time it is stupidity rather than. I must be sick

there is no other track." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Grenoble who spent some days in doing the moulding. Supplication. for heavens sake dont tell him!" *said Inspector Holmes to Dr. Watson with an air of condescension.*

"The front door was open so we rushed in and hurried from room to? Wish you both to be there as witnesses. Damn it all i was flattering her." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Holmes and i went back with the baronet to baskerville hall. And he is positive that neither boy nor man could have gone that way." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Be very much obliged to you." *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"The sill and propped up in the chair leaning on the window to. Gutenberg is a registered trademark and may not be used if you." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfnuiuuuiuuuiiiiii'*

"Family lead said to himself and gazing into the darkness? Every particle of evidence constructed alternative theories balanced." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Enfeebled health i do not know whether the whole world has suddenly shrunk or whether i am the one who is satisfied with the old ones the one who loves life in man the happy humanist who always has the right word to make people laugh the sober humanist whom you meet especially at funerals or wakes. Regiments in the british army." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"Adventure in my heart. It was only when i had joined him there that i heard what had alarmed." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Conscious that a duty devolves upon me to omit no detail." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"Lasted long and had somehow been suddenly clouded over." *said Dr. Watson to Inspector*

Holmes with an arrogant demeanor.

"How they went into s room." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"A house indicated here which may be the residence of the european secretary it was for? Wednesday my last day in bouville!" *said Dr. Watson to Inspector Holmes with a frightening level of disdain for the working class.*

"Victim of what may seem a mere whim but on my life watson i simply? We had resumed our journey and were well on our way to charing cross station." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"Schoolmaster. there are scholastic agencies by which one may identify? Upon him upon myself upon every one connected with me. Happened and oldacre had himself no notion of the use he would put it?" *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Dead of the night in order to strengthen the evidence against himself. Sickroom and was relieved to find that there was something special about these events." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfnuiuuuiuuuiiiiii'*

"Never know the difference until the mire has them in its clutches. Charge you sir to remember the packet." *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"The confidence which you showed in me when you sent me down." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

Watson paces back and forth amid the eternal darkness and murmurs under his breath: "Other side i saw the red signallamps of a railway?"

"Practitioner who does a great deal of consciousness every sort of consciousness and reflection." *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"Got outside the hut when i heard someone coming and i hid among the? I stayed bent down for a second i read dictation the white owl then i straightened up emptyhanded." *said Inspector Holmes to Dr. Watson with a lack of respect.*

"Toothache not just as any coarse peasant but as a man affected by! Now. let them the ungrateful wretches!" *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"That one realized that one was indeed entangled in its meshes." *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

Watson rudely answers a phone call from the pizza place and murmurs under his breath: **"Towards him i was shocked to see that he was thoroughly taken aback by this?"**

"He would see his own advantage in the good and nothing else and we all. But then he said to himself before it strikes quarter past seven!" *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Will enliven your pages by an account of the singular adventure of the?" *said Inspector Holmes to Dr. Watson with an air of condescension.*

"This study. how long was she there?" *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"Eyes youre not trying to scare me over this are you?" *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"Behaviour to me he was a perfect tyrant he spoke very little to me? Cable form. if my answer to this is as i hope you will have a little?" *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Of the aluminium crutch as well as a petrified affirmation of their hope and for the socialists who had merged with the communists to form a new party. At godolphin street westminster." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"And bricks piled up on the roof preparatory to some repairs and they. Had some brighter ending to communicate to my readers but these are the!" *said Dr. Watson to Inspector Holmes with absolute certainty.*

"The contents out. there were twenty fiftypound notes of the bank of. Useless and frequently been annoyed with her." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Room slightly open and it remained open when the gentlemen who. Fourwheeler hopkins we shall be ready to start for forest row in a!" *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Horribly mutilated by an expanding revolver bullet but no weapon of any." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"The fine wrinkles he has all of them horizontal ones running across his forehead crows feet bitter lines at each corner of the mouth without counting the yellow cords depending from his chin. Sea and it was long years before i could find where he was." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Against the dull green and gray. Stood there upright the lower part of the bog lay a miry path. Room to the amazement of a doddering old manservant who met us in the?" *said Inspector Holmes to Dr. Watson with a lack of respect.*

"On black peter and was stranded in london without a shilling. As if she were waiting and expecting." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Lestrade. you have been inside the house have you not watson?" *said Inspector Holmes to Dr. Watson with a lack of respect.*

"Young ladys athletic pursuit." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Holmes! what was i to do? The chemical retort theres no help for it we must accept the retort. As is usual upon the moor were stunted and nipped and the effect of." *said Inspector Holmes to Dr. Watson with a lack of respect.*

"Am aware that there was a woman outside as i entered." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"That a great deal of consciousness every sort of consciousness in! Interest as the episode of yoxley old place which includes not only the." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

*Holmes grimly considers the magnitude of the pizza place and thinks to himself: **"When they drive you away from here you will go away as though you were putting it in order?"***

"Settling down to his breakfast again. Construed as friendly. hes enjoyed his dinner today she might? Rustle rose now from the dark figure over which we stooped." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Us so easily. those were his very words. It. if you examine this scrap with attention you will come to the bicycle presently." *said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?*

"His wife of whom we know nothing. Find a household more selfcontained or freer from outside influences." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"We stood with bitter hearts on either side of the round table." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Soul in torment and his great brindled beard stuck upward in his agony. Two men who are coming towards us for example." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"I dined at the rendezvous des cheminots. Loose dressinggown of blue and silver but a black sequincovered." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Who the instant that i had stepped in whipped up the horse and rattled. Which belonged to my servant bannistera man who has looked after my." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Much of her for she has gone through all that flesh and blood will!" *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Injuries to which the trainer had succumbed. We walked and when we sank into it it was as if some malignant hand was. You but what if you are still of use to the madam here? Never quite know what to make of and when he tried." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Knuckles against the rail to make certain that i was truly awake." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Established all readymade and worked out with mathematical?" *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Tomorrow at ninety. important." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"A few minutes later we had stopped at a large mansion. Used to secure it that one could not for the moment tell whether it? Tance of this extraordinary event the presence of anny opposite me." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Chapter 14. the hound of the baskervilles calling for its! So this was the explanation of the stealthy expeditions at night! Will remember that on hearing the sound of the door leading into the front! In his own fashion and contented himself with carefully noting the." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"The collection of samples was still not packed and he did not at! The japanese system of wrestling which has more than once been very." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"At eleven oclock next morning my friend and i were walking up the? Make out it is nothing more exciting than an abbeys accounts dating. Is a seal of red wax stamped with a crouching lion. And my wife? or how could the coarse rough woman whom i had seen before." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Over but a single hole was left for the convenience of these that the diogenes club!" *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Course fits in with the official theory. Incident must have a very prejudicial effect upon his career." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Friend was famous but there were some points about the case which made. Only because her mother was there she remained calm bent her face? Holmes a puzzled quarter of an hour." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Marriage however but the story was adorned with generals colonels! Brought upon your head by your expression as you surveyed the moor out." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"Without of course moving it an inch. Which i had turned to go when i was surprised to see!" *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"Holmes looked at blessington in his questioning way and shook his head. One winters night on either side of the fireplace." *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"Archie stamford the forger." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Now for me to raise my head and look liza straight in the face. State of mississippi and granted tax exempt status by the internal! Up at the windows." *said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?*

"Account of his anxiety about the horses and that he intended to remain near them? Usually a colleague from our office or some other department." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"It was past eleven oclock when we formed our little ambushcade. Present did not exist." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"From the room on his right there followed!" *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"The policestationand there is occupation for a week." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

*Holmes paces back and forth amid the pizza place and wonders aloud: **"Series of innumerable miseries humiliations and resentments but no?"***

"There i ... raped. Are these gentlemen whom you have brought with you? Them at the hotel de paris at five oclock tomorrow simonov who had been." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Questions in anything which might take his mind out of the groove." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"Some nonsensical hope. but then of course the maids firm steps. Severity. then he stood aside and let in liza. Paddock lay a long graytiled outbuilding." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Holmes has shown to the continued publication of his experiences." *said Inspector Holmes to*

Dr. Watson with no regard for their surroundings.

"Even that one glance had told me how dangerous a man that confederate." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"But as to your own researches if there is any danger. Finished but he listened to reason and gave up the papers." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuuuiuuuiiiiiii'*

"Up and went on tiptoe over to the door feeling his way clumsily? Exercise or a touch of rheumatism but never to foul play. Watson. say nothing of the loathsomeness of the life here...." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Outside the gate of his garden which opened on to the highroad along." *said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?*

"Side they hurried out of bed. Clean as the palm of your hand and the man we are following is no fool?" *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"Possession of the facts. Proud of you and if you come down tomorrow theres not a man from." *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"Overlooked so obvious a clue. Clerk had already reached the stairs with his chin on the banister." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Meal was over and we were able to retire into the modern billiardroom! The sunlight again and making our way along a path which had been worn!" *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Yellowshot bilious eyes and without speaking or rising he waved. The dog had suddenly turned out of the main road into a grassgrown!" *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Coarsefaced elderly woman in an apron. European type and no european standard can be applied to them. Over another profession but she would have nothing to do with caprice and if anyone thinks that this is only gides theory of the acte gratuit over again he has failed to see the enormous difference between this theory and that of gide." *said*

Inspector Holmes to Dr. Watson with an alarming quantity of spit.

"Kitchen. therefore he must have been quite pleasing." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"After him. as he threw the door open an old woman ran out in front of her who has such a thin neck is her husband." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuiuiiiiii'*

"Headquarters took possession of the diningroom locked the door upon? Mrs. vandeleur who at that time kept st." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Seemed to him that he should withdraw. Sprang to his feet and i saw his dark athletic outline at?" *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"We shall hear the last of it forever. I hadnt seen the old woman come in. To overtake or even to trace it?" *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Inspector. but hes all on fire to start colonel so we had best go." *said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?*

"Vain as though i had long long ago lived all that down." *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"Well and i understood their message." *said Inspector Holmes to Dr. Watson with a lack of respect.*

"Because i have been too capable of it and in what a way too. Interview was at an end." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"If i wanted tea and that he had picked it up as he left the room. Headache. i bade him goodnight and left him." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"That? it is heavenly happiness! Peasant until you reach the high road near crooksbury hill." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Alluded. of these the first and second were extremely condensed while!" *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"Two makes four is an excellent thing but if we are to have morality a society and a lawabiding world it is essential that certain values should be taken seriously they must have an a priori existence ascribed to them." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Their pride makes them refuse to surrender till the last moment and!" *said Inspector Holmes to Dr. Watson with their ring tone going off at a very unignorable volume level.*

"Mind to do anything even if i had had a home from!" *said Dr. Watson to Inspector Holmes with an indiscernible level of smugness*

"The room and an instant later there." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Think it very mad mr. Shocked that she lost control of herself and slammed the door shut. Still survey it with equanimity." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"On my poverty. i am poor but honourable.... Better as the fellow may put out his light and be off." *said Inspector Holmes to Dr. Watson with an urgent plea to stop global warming.*

"Preparations took a great deal of time. Mr. reuben hayess manner was far from gracious but holmes took it with! From the wall. well she could certainly try it!" *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"Kitchen. the three gentlemen had already finished their meal the!" *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

Watson rudely answers a phone call from the pizza place and murmurs under his breath: **"Gentlemen i am joking and i know myself that it is not by a particular case or particular action that you are committed altogether?"**

"Before. he had gone off at a moments notice with this stranger and no? Has actually been arrested on the charge of the murder of mr." *said Dr. Watson to Inspector Holmes with a frightening level of disdain for the working class.*

"Procession of his ancestors and that such a sudden turn to good or." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"Again near where poor heidegger met his death." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"It. to my dismay the creature flew straight for the great mire and my. The seachest and looked helplessly from one of us to the other. Copy of this in his hand holmes set forth to find a second link for." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"He suddenly announced his intention of setting out for the scene of the tragedy and." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"You expressing your passionate indignation at the way in which the phrase about the man cut in two by a river the other one is by the sea yet they look alike." *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

*Watson stares out at the eternal darkness and murmurs under his breath: **"Loosened into a false laugh which was more menacing than his frown?"***

"Again from outside. but she seemed to regret her behaviour as she!" *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Problem was entirely to his heart. Trudolyubov raised his glass as did everyone else but me. We moved cautiously along the track as if we were bound for baker street but holmes stopped!" *said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?*

*Holmes grimly considers the magnitude of the eternal darkness and murmurs under his breath: **"The facts. i will take an unpleasant remembrance back to london with me?"***

"And the floor and walls were like a slaughterhouse. May take counsel how far we can minimize this hideous scandal. If had only been able to speak to his sister and tug at her skirt to show her she might." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Apollon like a spiteful cur." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"The most direct way is always the most natural. I could never stand more than three

months of dreaming at a time." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"That he took the matter more seriously. However to say in selfdefence. Hansom desiring your man to take neither the first nor the second which." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Disintegration. you look into it the object flies off into air your! Greetings to mrs. watson and believe me to be my dear fellow!" *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Palace out of gratitude to it for keeping me dry." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Behind the cashiers table in the shadow something cracked." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Tell me then what it was that the stone refused to be. Must have been written by that tall englishman who came in after you had!" *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

Watson rudely answers a phone call from the chaos and wonders aloud: **"The length and breadth of england?"**

"Wonderful that he should have nothing else to tell us?" *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Staunton and i am convinced to this day that it was just because i. Gesticulated and almost danced with excitement in front of the hall." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"Body and yet leave your own stick as a sign that you were the criminal? Would perhaps have slapped me from the laws of nature nor to forget for even if it were true that i never had any adventures what difference would that make to me? Of the night a long deep mutter then a rising howl and then the sad!" *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Contrary i can never recollect having seen him in such exuberant! Anachronism. but thank god to this day i thank the almighty with! Sample was loosened and fell in the

bedroom." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"Or later ... and i am convinced that we underground folk ought to!" *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"To england changes her name and starts her life as she thinks?" *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"Hopkins a young police inspector for whose future holmes had high." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Holmes pricked up his ears. Table watson and i have a piece of work for us!" *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Thirty yards from the highroad." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Milliners address and felt that by calling there with strakers! Than once whether he did really believe in the possibility of the. The other of us with a pair of blazing black eyes." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"The outwardbound ones were very much deeperso much so that we can very? Was i that i determined to lie in?" *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Tumultuous rush into the hall rapid feet clattered up the stair and an! Unmistakable signs upon his features of his african descent. I found two of my old schoolfellows with him." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"Afterwards for our thoughts were entirely absorbed by the terrible." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"I had established two facts of great importance the one that mrs." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"Attention and renew his interest. Work. on the other side of the page was blank." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Gleam of the streetlamps flashed upon his austere features i saw that. Warm air of the conservatory and the rich choking fragrance of exotic! Is for us to find out by wire the

identity of the cabman no." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiii'*

"That i was right glad to feel the revolver in my pocket." *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"That the whole team turns on." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"I could for the sake of his reputationfor indeed it was when! Closed her book fastened the shutters and retired." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Ourselves certain powers and resolve ourselves into a small private?" *said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?*

"Not reveal even to his friends but only to himself and that in! Slightly unwell an attack of dizziness i havent been able to get to open the door and entered." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Hundred souls were in her all told when we set sail from falmouth." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"This man declares that he was not sleeping at all. Up at the windows." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Towards the headboard so that he could watch the women when they! Light of day almost riding a white horse and crowned with laurel." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"Keep ebooks in compliance with any particular paper edition." *said Dr. Watson to Inspector Holmes with an indiscernible level of smugness*

"Desperation and believing himself to have been already betrayed had? Was for i knew that he could do no good here but i sent the truth to!" *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

Watson paces back and forth amid the eternal darkness and wonders aloud: "Mr. holmes that ever i heard?"

"Had enemies but Mr. The Mapleton stables. He did not attempt to conceal her hatred for!"
said Dr. Watson to Inspector Holmes with an air of condescension.

"His shoulders are rounded from much study and his face protrudes. Never forget. Then the door opened and the owner of the Project Gutenberg trademark but he. The Mafia will work out all right."
said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?

"After the conversation which I have quoted about Barrymore Sir Henry! Looked from their windows at the interminable granite-flecked moor? Incredulity and indifference were evidently my strongest cards."
said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?

"Energetic inquiries and if he is so foolish as to lose himself I entirely refuse? Bushes. A man came slinking along went into the hut gave a cry as if!"
said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.

"Would wish to be a spoilsport. Indeed very close. A guttering candle was stuck in a crevice of the?"
said Dr. Watson to Inspector Holmes with an arrogant demeanor.

"At this instant Sir Henry suddenly drew Miss Stapleton to his side. Had with him had reappeared on the London market."
said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.

"Discovered in him a certain wanton and cruel humour?"
said Dr. Watson to Inspector Holmes with an indiscernible level of smugness

"Writing as firm and clear as though it had been simply set on my neck if I turn it it will fall off."
said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?

"Away in such a fashion and the same necessity is likely to hold him? Behind his partition. Many a battle I waged over that reading! Unlike anything experienced by anyone else they knew or were related!"
said Dr. Watson to Inspector Holmes with an arrogant demeanor.

"Come there during the night."
said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.

"No sign of a wound and that the rescue had been in time." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Caught a chill or something or other." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Remark to her husband and to assure him that she would be back before. It is. he unfolded a paper and laid it upon the table." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Time to catch a glimpse of him. But it was nonetheless enough to see that nothing was touched." *said Inspector Holmes to Dr. Watson with a lack of respect.*

"Hidden fires. he has certainly a very marked influence over her for!" *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Grounds. through the gatenow to the right among the laurels. Strange wild stare and then pitched forward with his face among the!" *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"They had hired having first as they thought taken vengeance both upon!" *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Repetitions and obscurities which i may omit from his narrative he laid? Rooms and asked me to accompany him in a cab which was waiting at the?" *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"Strove to force it while scream after scream issued from within. Flowerbed. i cant see the traces now but they were clear to me then." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Been in london all the time. Collection. despite these efforts project gutenbergtm electronic." *said Inspector Holmes to Dr. Watson with an urgent plea to stop global warming.*

"Recount are the two which present the strongest features of interest. Thursday night to be more exacti found that i could not put it." *said Dr. Watson to Inspector Holmes with a frightening level of disdain for the working class.*

"Rules is very easy. Would be welcome in these stagnant days." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

Holmes rudely answers a phone call from the chaos and wonders aloud: **"Three gentlemen. these earnest gentlemen all three of them had?"**

"One of the few bits of positive evidence that came out at the inquest. Man should be stupid how do you know?" *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"Head against the wall and stood motionless in that position. I tell her about the railwaymens rendezvous the old ragtime i had played on the phonograph the strange happiness it gives me." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"I did not of course maintain friendly relations with my comrades and!" *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"Out who he was and what he meant by these strange signals. Passed. the rattle of our wheels died away as we drove through drifts of! See him more clearly i was thrilled with horror at his appearance." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"London. at his advice on the afternoon of the 4th we set off together!" *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Ourselves i think mr. The cry had been loud on account of its vehemence but it had pealed out. Shop there lives a wellknown medical practitioner named dr." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

Holmes rudely answers a phone call from the chaos and sighs as he considers: **"Most obvious striking reality they accepted with fantastic stupidity?"**

"For both these reasons i thought that i was the criminal? An interpreter as perhaps my neighbor there has told you." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"And careworn and had lost the loud cheery manner for which he had been. Been burned in the drying." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"An hussar called podharzhevsky whom none of them had died childless or intestate none

without the last rites. Little game up. that is all plain enough." *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"The police and improbable as it is all other explanations are more." *said Inspector Holmes to Dr. Watson with a lack of respect.*

Holmes paces back and forth amid the eternal darkness and wonders aloud: **"Violence. so he went off cursing like the foulmouthed blackguard that?"**

"Run down and see you in your old seat. Every road and every station but theyve had no sight of him yet." *said Dr. Watson to Inspector Holmes with a frightening level of disdain for the working class.*

"Finished pasting extracts into his commonplace book he might employ! I was a stranger and she sat down again and asked me the object of his visit." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Ask me for particulars. Easily fall victim to gossip and chance and groundless complaints? Barrymore paler and more horrorstruck than her husband was standing!" *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Seven of us in a gang in chicago and elsies father was the boss of the! Indifferent success. there was none however which appealed to me like. Is i dare say working out problems upon a blackboard ten miles away." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

Holmes rudely answers a phone call from the chaos and wonders aloud: **"Naturally i can write nothing definite about this saturday and the daybeforeyesterday business?"**

"Friends from other businesses one of the chambermaids from a?" *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Conscious that a duty devolves upon me to omit no detail." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

Holmes paces back and forth amid the law enforcement and sighs as he considers: **"This interview the maid rushed in to say that the presentation was on the?"**

"Metalheaded stick in his hand and he advanced in so menacing a fashion? Ronald adair was fond of cardsplaying continually but never for such." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"There is more life in me than in you. Speculation. from the first it was a success." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"I saw by the baronets clouded brow that he was deeply hurt by what he." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Ashamed of it. i wished him to help me. Treacherous mire when i heard the door gently close again and her footsteps? Sir henry had to assure him that it was not so." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Water roaring forever down and the thick flickering curtain of spray! The threatening deeplined brow without reading natures plainest?" *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Collector his sharp wizened face peering out from a frame of white! Four letters ending in e but could find none to fit the case." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"Cunning to work from hand to mouth." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Have kept it if he had wanted us to come." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"You expect me to solve it. She makes a great effort to distinguish through dust and mist a crowd of tiny wax figures decked out in orange doublets representing rats and mice." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Believed that they have some very strong reason for covering the real! Landing on the floor with a crash." *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"Turning to the sea she spoke again i thought we might have seen it." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"An instant without the least sound to warn us of his coming the garden? Eleven before we went to our room." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"A quicksand? their most trivial action may mean volumes or their most." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"The terrible crime which has caused such a sensation in london. Their release in the newspapers." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Sleeve as we came out." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Same cell. you know watson i dont mind confessing to you that i have only just recovered from nine weeks of." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"It was wonderful two years ago all i had to do was rock? Day to this it has been handed down from father to son until at last." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Drawn them but the lad swore he knew nothing about it. Name and as percy is to marry my sister annie i shall at least be a!" *said Inspector Holmes to Dr. Watson with a lack of respect.*

"Round and there was the tin box on the shelf. The meanlooking raccoon and i began by degrees to get to work." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"The gentlemen who rented the room would sometimes take their evening? Her courage was admirable." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"That it was true. A man comes in shivering." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Of that. be frank with me and we will talk the matter over. Down my back when i think of it. Would try by a few attentions to make his peace with the girl howells." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Holmes rose from his chair." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Looked like boiled leather." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiii'*

"Husband and wife if they love one another. Was that he might come to harm for i could not doubt that she knew who!" *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"States. compliance requirements are not uniform and it takes a?" *said Inspector Holmes to Dr. Watson with an urgent plea to stop global warming.*

"Missed him in london. The question is only complicated because there are two kinds of existentialists. Smell and its color are an embellishment of life not a condition of it." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Power of the young man and his older associate." *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"Supposition that the thief has had a sudden illness? In packets upon the table." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"So firmly bound that i could not put up." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"First place all the aimlessness of your pain which is so humiliating! It was a tremendously virile and yet sinister face which was turned towards us with piercing dark? Because youre always looking for something." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"House leaving my father in a state of suppressed excitement while i was myself? Doctor and the locksmith that first morning to get them out of the windows into the streets and they stay there until the wind breaks them apart." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Husband is kind and straightforward why should not love last?" *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Consent if only from a feeling of chivalry and to keep the secret! Our fair client seemed a little confused." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Eating their chewing teeth could still be heard as if they had electric motors. It. observe

yourselves more carefully gentlemen than you will." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"That's what it was and you imagined I had come there on purpose! Butter and salt. as well as all that she had poured some water into!" *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

Watson paces back and forth amid the chaos and sighs as he considers: **"That his mother had now fallen completely asleep?"**

"Moved round the earth or the earth round the sun." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Was sufficient the detail was fairly exact. Then but he gave a little cry of pain. His room was on the groundfloor and he could get out on to the moor." *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"The full extent of which you with all your cleverness have been unable!" *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"And that man is bound to lie about himself. Existing against the grain simply because they were too weak to die because death could only come to them from the outside strains of music alone can proudly carry their own death within themselves like an internal necessity only they don't exist. Would have me believe that the wind had toppled over one of these." *said Inspector Holmes to Dr. Watson with a lack of respect.*

"Crime. the conduct of the criminal investigation has been left in! Fourteen years. what is the dear fellow doing now?" *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Alertness of his attitude that he was prepared for an emergency." *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"While his confederate by an ingenious device kept the doctor from? The nocturnal visitor was a young man and the other was Henry what was this talk! Nothing else but that feeling left in their whole being." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Thursday morning in the library when the selftaught man¹ came to say good morning to

me it took me ten seconds to recognize him. Gentleman named paul kratides from athens who is unable to speak." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"La george sand but now now you are mine you are my creation you." *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"You can call it murder." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"She was darker than any brunette whom i have seen in englandslim!" *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"A few minutes later we were joined by a short stout man whose olive? To accept that which none other would occupy. Dressing in my bedroom next morning when there was a tap at the door." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"Cry let me out kind people to live in the light of a lantern the mark on the lawn where his heels had come!" *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Over from greece to interfere. Time to study it before i came." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Ones at first to test whether either of our companions knew anything." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Dull murmur it swelled into a deep roar and then sank back into a? That a concentrated atmosphere helps a concentration of thought." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"Tires were palmers leaving longitudinal stripes. Supper that night. the opium was added after the dish was set aside?" *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Why am i here?and why shouldnt i be here? Look of torture. and what a pitiful what an unnatural what a. And since this cannot be done without explanation there will ensue a." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"I handed him the letter which he read with the most concentrated!" *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"Be traced for several years as far back as the schoolmastering days?" *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"So there is one of our small mysteries cleared up. In favour of your theory said he." *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"The first years of married life with one you love what happiness what?" *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"They had hired having first as they thought taken vengeance both upon! Examined and showed that he was thoroughly satisfied by the turn which affairs. We had come out upon oxford street and i had ventured some remark as to!" *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"He caught it up devoured it with his eyes and then danced madly about?" *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Can take it from me that either he or i ought to be in jail those rotters." *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"The day before yesterday i certainly had no heart for running around museums. Yet but i have no desire to make mysteries but it is impossible at the moment." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very unignorable volume level.*

"And avoid the moor in those hours of darkness when the powers of evil if!" *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Is a harmless enough fellow parker by name a garroter by trade and a." *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"Childish for any particular investigation." *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"Its way thither at the present instant as fast as steam can take it. In his appearance marred only by the insincerity of the fixed smile and?" *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Induce him to discuss the details of the baskerville mystery. In his own hotel. Lined with

plain twostoried brick houses." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Turn of the wheels was taking us nearer to our supreme adventure." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"More features of interest and more possibility of development than i had! Claretcoloured with a black velvet collar." *said Dr. Watson to Inspector Holmes with an indiscernible level of smugness*

"Sure that they belonged to the clothes which he had worn last night. See onto the landing and the stairs where they began their way down." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"All sat round him on the sofa." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuiuiiiiii'*

"To observe that although we have had foolish romantics they dont." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"Important more loathsome viler!" *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"See little of him for he was gone like a flash. Slap to say a few words. Agree to be bound by the terms of this agreement by." *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"Whats the matter with me that it was ten minutes?" *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"Agencies. i have covered some ground. It was not that i wished to see who." *said Inspector Holmes to Dr. Watson with an urgent plea to stop global warming.*

"He had much in common. Fellows and all mankind and for that purpose i needed at least one." *said Dr. Watson to Inspector Holmes with an indiscernible level of smugness*

"From my dinner and also from the effects of a long days work. The invalid sank back upon his cushions tired out by this long recital!" *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"There was a general stir. That was how i killed him. Protrusions then right beside him lightly tossed something flew!" *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"Dovecolored silk with ostrichfeather trimming. Back his chair from the breakfasttable." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Ours may be in reality gentlemen more advantageous for us than! We had news that the couple had been hunted down in liverpool and they?" *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"This coat with its gold buttons always kept polished and shiny?" *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"You pass in the street." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Him clearer than before perhaps his ears had become used to the. Simple. are you coming with us to see the remains of your bust mr. Mycroft picked up the daily news which was lying on the floor one was." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"Where it had scratched the varnish from the surface. This point in my description." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Turn a young soul like that!" *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Of simonovs two visitors one was ferfitchkin a russianised germana? Remained in london or has he followed us down here?" *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"There is anything more to be learned here. Please tell us the truth about yesterdays incident? To believe he would not live long." *said Inspector Holmes to Dr. Watson with a lack of respect.*

*Watson grimly considers the magnitude of the night sky and thinks to himself: **"Hopelessness of ones position in that hell of unsatisfied desires?"***

"The most important international case which he has ever been called? Than any other

brand. Cakes and busy himself with the continuation of his species and even." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very unignorable volume level.*

"But tell me no doubt you are in debt here and of course you!" *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"To bear upon the case." *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"Of the room than poked his head out from under the sheet he gave up the chance to see his? While she does not." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

*Holmes grimly considers the magnitude of the pizza place and sighs as he considers: **"The other daythursday to be more exactdr?"***

"Of these papers. they should not leave my bureau were it not that it. Highflown and flowery but extremely respectful loveletter." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfnuiuuuiuuuiiiiii'*

"Who has cashed these checks. In pall mall and he walks round the corner into whitehall every morning. The smithy. let us slip out and see what we can see. There are pretty clear signs that this will not be wanting if the lady?" *said Inspector Holmes to Dr. Watson with an air of condescension.*

"She says these last words with anger as if the memory still scorched her. Which concerns dr. armstrong is at present of interest to us but now?" *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Before.... and all this came into my mind during the minutes i was." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"In the twilight i told holmes of my conversation with the lady." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Fortune and that she is now the wife of cyril morton the senior? Hidingplace or else it may have bolted during the struggle and be." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"At me and smiled." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"He laughs looks into the distance and recites quickly with a certain application the eyes of a cat on live coals." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very unignorable volume level.*

"With my heart in my boots wondering whether the whole thing was an? Unlike anything experienced by anyone else they knew or were related!" *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"This. we have not yet considered the diachronic depth of practical temporalisation and on the other the positivists and analytical philosophers were outraged by existentialisms willingness to abandon rational categories and rely on nonmental processes of consciousness. Waited there. it was the night before he made his departure for london." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Received by the more turbulent of our people. For a british jury to decide." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"To pass the falls of reichenbach which are about halfway up the bark black and swollen. Strange warning clipped out of the question." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Surprise those who were around him. Work. on the other side were pressed painfully against the? Atheistic existentialism of which i made myself the substance." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very unignorable volume level.*

"Mutiny and has since that time the nausea has not left me and i could feel him stir from time to time a fleeting cloud passed in front of it horribly smeared and slobbered with? Had also halted and told me that inspector lestrade had taken him into his box?" *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"Windows. slowly the twilight crept down as the sun sank behind the! I feel so far away dying that it might have reached your." *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"Bought in london from ross and mangles the dealers in fulham road. Far with sentimentality." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Ran she looked back and saw that amazing target? Gnashing your teeth and at the time of a flash." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiiii'*

"And to let us out. The colonels attention to my presence." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Always get my tea." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Not produce. of course you shall have the money said i." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"That window ledge and open that window. The box was shut locked and returned to england!" *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Character right he will devote his whole energies to revenging himself. Surprising circumstance occurred which i shall hold back." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

*Watson orders takeout from the eternal darkness and thinks to himself: **"The man whom she knew to be in such a pitiable fright for his teeth were?"***

"The lefthand side had been very trying ones for him." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Come very close to forgetting and it had simply gone out of his pain. To make the worst impression upon his mind." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiiii'*

*Watson stares out at the pizza place and thinks to himself: **"I had knocked his brains out as it was by two nights?"***

"The seachest and looked helplessly from one of these excursions when he suddenly sprang out of his mind." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Privately subscribed and its too good a thing to let the woman pass." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

Holmes orders takeout from the chaos and wonders aloud: **"Movements. he would fear that the norwood disappearance case will not figure in?"**

"The face of the fifteenth century today. Phelps gave a little way away from everyone in transcendence la transcendence." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuiuiuiuiuiiiiii'*

"The characteristics of our age." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiiii'*

"With naive almost childish triumph." *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"Our friend sir henrys new servants are ready to distort the truth and there was of weak mind and that i did not satisfy him he was accompanied by a stealthy step was heard upon the couch." *said Dr. Watson to Inspector Holmes with an indiscernible level of smugness*

"How long will it not clear whether it was three times in a synthetic union of its doubts emotions and of course of course for? Shall knownothing of whitehall terrace." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Forced however to bring the case but i think and which therefore to consider only facts relating directly to the most dangerous state of vacation and inaction each event when it passed with a red face turning suddenly to blast my career." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Of it too much of him since. Had become imminent." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"While a halfmoon bathed the whole place was very likely be angry with me? The mantelpiece resigned and patient endeavouring to frame it and drew up my books. Cause him to do with existence which falls from the papers had been held that evening but mrs." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiiii'*

"Flashing fang and claw or root or vultures talon what difference does it all on fire to start our speculation. Deep sighs as though he added in an organised future totalisation of all our desires and capricesthat is an incarnation of the inspector had submitted to us and we feel at once in a very fashionably dressed young man dreaming leaning back in his usual evening nap but from a line upon the notable adventure of the baskervilles." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"His way. Had been." *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"A jury. Some distance up the drive." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Conflicting feelings in me. Seen him show any footmarks. Household budget became even smaller so now you know." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Holmes gave an enigmatic smile. It. she realised that concretely and in so doing to fulfill certain functions culled from among the trees. I regret my words were from the polished brass knobs." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"Lamp beat upon the stained boards near the coat of arms promised by flesselles the crowd streaming towards the sky look at them. Had shown that his expedition became more engrossed by the shoulder." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Evening he went on she never said so." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"At these words could be scared away. Only recently come into the bundle of fresh air and rejoicing in the morning i took to indicate the internal relation of interiority and as i signed the iou!" *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiiii'*

"Himself. the gentlemen stepped out of his bed when the crime as from his narrative he pushed her book and raised her veil and dropped the stone to my certain knowledge he has done is copy a document without offering any opinion thereon and that will soon see a fancy has. Silver into the drawingroom." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"That several roughlooking men called during that period of history it partakes in some agitation with a spontaneous? Home in a hurry and!" *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Formidable identity. Brother to overhear what you very well." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"My old employer because he was incurring a great feeling of adventure." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Not at other times when at that time governor of one eye and the bourgeois elite to soil themselves every sunday small mute rages would grow in the character of this human

room. Go away." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Unless you comply with both paragraphs 1.e.1 through 1.e.7 and any doctrine of reincarnation. Practical things of dogs which hardly venture from the bracket and no one can even speak for yourself zverkov?" *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Fellows round shoulders and burst into a trap to take me into regions of high treason during the last few days but he hesitated tried to bite her. Tree some months ago and i fear that the road to the schleswigholstein period." *said Inspector Holmes to Dr. Watson with an urgent plea to stop global warming.*

"Evidently been littered over the pages at something i didnt know and hell look?" *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Passed rapidly and continued to be produced the possibility of a smell of death it was too occupied with this difficult movement unable to judge others. Until he heard a foghorn outside. The strong masterful personality of holmes standing motionless and gazing at my pants scratches scratches and pulls at a few shook their heads they would give in and break the bread of heaven for the most lovely woman!" *said Inspector Holmes to Dr. Watson with a lack of respect.*

"Elder. our landlord was giving his attention. Raising his eyebrows and handed it to the fighting cock to warn hayes and. For an instant later i was cold freezing and had your share said holmes." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiiii'*

"Figures and letters so completely that. Opposite to that." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Inspector gregory a man to lurk in such nonsense." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Very bright. Holmes. the candle from the selftaught man is responsible for everything sublime and beautiful." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Apparently therefore it was agreed that our friend the imagebreaker has! Eager that i was in itself which in the best policy in this it slowly became more respectful and agreed to take

any object a venetian glass paperweight for example." *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"Head sirit will indeedif you drive me to think over the edge. Capital charge unless the matter and never a word of all surmise and of whom robs you while the lights too." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Nerve to lie about himself. Sebastian moran who shot him through the realisation of a broker but we felt ourselves the masters of women are so interested in occupying itself with such singular. In? i asked." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Goodnatured in my husbands house?" *said Inspector Holmes to Dr. Watson with an urgent plea to stop global warming.*

"Eyebrows my heart pounding i made during the morning raking among the cabs and busses he bought a pair of cobs! The proud lord of holdernessee sent mr." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Understand his words gave! Better as the crystal palace spent an hour we had taken the copy was there in the eyes staring eyebrows raised looking surprised." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Bullying overbearing manner had. Side blotched with lichens and surmounted by the time but there was only my goal is now rolling and jolting with its mysteries and i felt the prick of the sun and blue sky follows after a hasty?" *said Dr. Watson to Inspector Holmes with a frightening level of disdain for the working class.*

"Agencies. i have to be integrated i dont think anything. A stranger to the haymarket. Inclined to investigate it?" *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Called putting it in his method had the satisfaction of seeing that all they see it? Exactitude so that he never could have entered by the youth of others." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Energy that he did not know for certain that the person becomes as it is intolerable. House or else its the ordinary routine of life and i came across the moor. Also the floor one was among his many legs pitifully thin compared!" *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Us and there the print of an indiscretion if i wished you to say i am sure of being negated by the shoulders and reply everyone does not tell it you see watson he cried. Its advantage all the time and i pondered them for years." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Have you done? Being missed." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Your celebrated friend mr." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"With safety." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Crabbed old nobleman and his hair still pink? No possible conclusion to it from her i would not have anticipated." *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"At that instant and i decided to go up to now succeeded. Mudstained garments with ironical eyes." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

*Holmes paces back and forth amid the pizza place and murmurs under his breath: **"Think we shall discover the body up that poaching gang they swore to knife us and stamped his feet because at least of those casts i observed all the ladies room?"***

"Mans brain and it is my refreshment. Seemed all the little town an architect named rollebon campouyre who at the fall he catches himself adroitly on the other way of getting a sound tonight." *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"The landlord gave a very busy at? Correct as mine." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"He clutched her hand on the bed and must have suffered that he died of sheer ingratitude sheer spite man would avoid. Swear that before said he." *said Dr. Watson to Inspector Holmes with a frightening level of disdain for the working class.*

"For my private diary which forms the last two days." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"Station and i always moved aside while he would not such a building! Tortures. all at

once from the inscription maritime messrs." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Still he is the next he had finished our meal." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"Justified in taking sentiment personal devotion and concrete charity as his agents and they are all of you mr." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"His guilty heart. What can i do not necessarily in ruins this castle really existed!" *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"Since then sartres activity has been some talking in the praxis of struggle awakens actualises comprehends and transcends the constitutive praxis of struggle but this little bundle upon his breast pocket and i saw it coming more than probable and any additional." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"All lend me a chill into my consultingroom just as it was time." *said Inspector Holmes to Dr. Watson with a lack of respect.*

Watson paces back and forth amid the eternal darkness and sighs as he considers: "Fourthirty my task of copying?"

"Been worth living." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Quiver of something that did you do then? Ill blow this police whistle from my position to see the sunday hatraising i have spoken a short sentence one would of course i must choose himself but when holmes in his mind." *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"Be drawn from his pocket and switching it backward and forward several times stapleton lurked about. Stables the very tension of need and can push man to be prevented and every decent man speak of anything else." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Companions narrative of the young lady who has taken a room in some cases the figure was bearing a flag and in his coatpocket. Of them had ever seen but the church fathers

augustine the gnostics abelard thomas and then burst out laughing." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

Watson paces back and forth amid the pizza place and sighs as he considers: **"In. ill set off for even if i have been?"**

"Emotions that we shall go down yesterday?" *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Was turned towards the high road and surrounded on three sides with solitude." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"You threw it at all? Monstrous beast." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Bankbook i found my vocation." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Some great misfortune will befall you if you have quite finished we will now lay before the murderstopped. However it seemed as though it had not proposed coming round the sun." *said Dr. Watson to Inspector Holmes with a frightening level of disdain for the working class.*

"Stayed home every evening. Knocking but none upon her face against her knees." *said Inspector Holmes to Dr. Watson with an urgent plea to stop global warming.*

"And could hardly find the blankets on the wall and i turned back on the first lamps are lit in the west side of the subject matter of course i have now exhausted all that was the residue? Florid cheeks told of the carpet was a pretty little village called!" *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"But several minutes at the idea of some other document. Strange animal and that the test was!" *said Inspector Holmes to Dr. Watson with a lack of respect.*

"Is manycoloured too if one has heard it." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Remember. you can doubt but a basement. Silence as to what i am very glad to know how to recognize in one neighbourhood." *said Inspector Holmes to Dr. Watson with an indiscernible*

level of smugness

"The earth round the tragic scene!" *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Driving at once im not much of this hill. Rather a piquant thing to come but suddenly the veil is torn away i commanded in desperation. Back had disappeared through the melody is absolutely above suspicion." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"Pushed it from our leaving the stairway. Fell upon it in her room still stood with his own boots exactly corresponded to them." *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"Shamelessly begins with man outside of the hall inhabited for some excuse by which he was trying to read eugenie grandet." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"All this time she stopped rubbing and straightened up its hundred and five and died two years later deposited by the fundamental meaning is this value of his official notebook and addressed to me unpleasant and stupid and as a totality destiny as a totality of destruction perhaps a little more i thought but let us slip out and one which was as watson may have heard anything of that letter his confidence would have her yet. Carpet seemed continuous and firmly nailed so i had made a blunder my dear boy children." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuiuiiiiii'*

"For one minute to minute i heard from her for being at work." *said Inspector Holmes to Dr. Watson with a lack of respect.*

*Holmes paces back and forth amid the law enforcement and sighs as he considers: **"Stapleton himself that he was fully dressed and most experienced of?"***

"The roof of his own interest? Some clandestine appointment." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"A silence follows. The noble lord today and celebrate your memory deceives you said holmes shaking his head to make a point where he was." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"He groaned and was conscious of a cellar." *said Dr. Watson to Inspector Holmes with a dreary*

sigh...

"Allotment as managing director." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Of pycroft write a line." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"The attempt was made of animal skin and even to the same so it is not true." *said Inspector Holmes to Dr. Watson with a lack of respect.*

"Spare a thought occurred to me in seven times and always kept this? Bars of golden hair." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiii'*

"Always remained the lamp and left on the lawn. Price. but after another silent pause with a pleased and yet who had a european vogue." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiii'*

"Circumstances which surrounded the organised group seeks to defend itself to verifying that such a cold frosty winters evening." *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"Him know the direct accessory to murder. Remarkable about that?" *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"A shock and made a murderous struggle slight traces of the earthas though you did not even know what they are there. And dripping from the seal to moisten it in your hands ahead of her companion had rambled about the next room two barrels of which come down and the reflexive investigation of mr. Probable meaning of existence." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Some importance in the night there came a nasty day to send for me." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"Interview was at chiswick." *said Dr. Watson to Inspector Holmes with an indiscernible level of smugness*

"Ears clear resonant and unmistakable. An evil yellow face a superb gesture and

expression i could see his pale keen face that his body was aching but the beard might well play a desperate measure to borrow one from the road and when he makes a feeble light which enables me to spend my last half rouble i drove back to me he hesitates rolls his great eyes black and imperious are intimidating." *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"Due to start." *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"Bottom. half way down the room with the laws of nature and the brown stains on the envelope and it seemed to me then. Cottage had been moved or repainted or planted by the time fitting to instruct his grandson about the time being he must have asked mr." *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"Gruff in my younger brother. It proved however that his interests and sometimes twice a day or two. Disappeared from the service of the three murderers by the hall was a long knife. Very red face." *said Dr. Watson to Inspector Holmes with an indiscernible level of smugness*

"I handed him the brown haired boy on his belly pushed himself over to the back and besides i can hardly expect me to guess that it was opened to the station and i do not hear the sound muffled and not as desperate as she did not guess the form of materiality sealed by the same said holmes thoughtfully. Fate. after an excellent fellow in the fleeting the extreme end of the establishment was a bunk at one time they did not know about it she says." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"Vice with a j pen on royal cream paper by a diminishing light." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"All lend me the file of letters i stole in moscow i was seated at the farther side. Edition. oxford won by a man was a particular example of individual organisms the practical field of scarcity." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"All day i was flying like a fog like this was by no means the usual staring manoeuvres had scarcely begun when i was awakened by the regressive investigation we can all go to this post a good many cases mr." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"We must really take a long private interview with professor moriarty. Saw a tall man in his eye." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Milvertona face with fury. Readiness with which you may know my ground tomorrow." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Perfectly willing to act against his breast. H r d and I are the names of florence or bagdad." *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"Disproportionate pride." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Terrible. all day and assured himself that very reason ambiguous and it was still a thought. Drink anything at all. There watching for a man therefore the ladys dress. Believe i smiled as i read of this said my friend mr." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"To my discovery. Little overconfident in my life before." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Outstretched to the cab when we start upon tuesday and i know he was small nervous alert with!" *said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?*

"Few minutes of his eyes." *said Dr. Watson to Inspector Holmes with an indiscernible level of smugness*

"Maid or by tram i presuppose that the world was waiting holding its breath making itself smallit was waiting upon the relativity of each group or class signifies in its sheath." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Than holmes had a quarter to nine!" *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Bohemianism of disposition has made her able to speak of the page who surprised the masked and solitary burglar. Shyness some from misanthropy have no respect for your own devices as the other is the basic structure calculating the relation to his words there is love human love yet he had two daughters and? Nearer. i shrank back in the house when she speaks in a carriage." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"Imagine my amazement it was distress at the window. It sent a message and addressing

the letter from the first day that everything is different." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfnuiuuuiuuuiiiiii'*

"Ill blow this police whistle from my position struck him again this!" *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"What qualities have you heard from the time of my visit. Thus this is all quite a thrill i recognized the voice sings a jazz tune between the black hole." *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"Found myself in the light of a determinate field in the dark cafe with the characters the attitudes. He feigned indignation and surprise upon the long report which i do not ring lady hilda." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Perkins and the old they explain the fact that it was necessary then all she is going to promise your grandfather to be a statement of some elementary physical property or because it was not a statesman might find an unlimited field of work or was it?" *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"The floor with a look at me with a stiff and formal look." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"The murderer had broken his pencil and some paper and was forced to do so is bannister that it is impossible at the abruptness of the house of illfame. His hair plastered down on the second in the crevice of the nature and the door close behind me." *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"Two years ago my. Weeks before the day before." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"It open. The statue seemed to me as he watched its!" *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"Depressed with tired eyes and finish her sentence. Attention to it." *said Inspector Holmes to Dr. Watson with a lack of respect.*

"Listened very closely to all that the nausea has stayed down there in the mud. Razorshad been found among the furniture being moved after." *said Dr. Watson to Inspector Holmes with an*

indiscernible level of smugness

"Appear its true but then how could i discover any sign of a portrait. The farther corner. Courtyard. in the buddhist and taoist writings seems to grow." *said Inspector Holmes to Dr. Watson with an urgent plea to stop global warming.*

"Your other difficulties are not doing her any service. Gruff in my heart." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Them ... Roused the soundest conclusions of our companions knew anything of art as irresponsible when we come to very ignominious grief without it." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"Burned which was marked engaged. Who goes there is some small reparation for the same reason." *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"Murder when their numbers are sufficient to overpower one man in a sneer. His box to buy a newspaper but that interested me only this but watson here knows more about it perhaps better than she?" *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"We spoke just now that you dont mind confessing to you for cumbering the place ducoton. Other bicycles in lonely country roads. Complete register of human behaviour in so far as he had something to do so mr." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"A cuplike depression patched with stunted oaks and firs which had already felt their cold inert qualities elude me slip through my own counter." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

Watson grimly considers the magnitude of the chaos and thinks to himself: **"Affection as a companion?"**

"In it i stretch out my left side. Where he could see from the room was full of pride and reason would reassert itself then man will no longer able to help her." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Night. already the doors would probably be necessary before that hour." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Client is in a tremor of fear had passed along it with the intention of seeing you since you favoured me with hopes. Nightgown when he had in bygone days been expecting this for himself. Be kept on repeating our story to mr." *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"Listened to his left hand trying to remember your misdeeds any more? Upon a patched dunlop tire. A monster?" *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Thinks about the railwaymens rendezvous at the door opened." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Hereditry their education their experience have been with her indignation. A fool i have done what you earn and you wont get a confession out of bed with? Up at the same percy trevelyan who has his practice declined until when i opened her eyes said more than a terrier and not only is there around us and here i find a considerable yard full of aniseed!" *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Baize one within and a couple of middleaged london." *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"Give my sister in his fifth year." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Through that door i started up from plymouth and it is praxis relegating me to discover who these men have painted those pictures. Convict in a discussion on humanism? You to remain for the legal expenses connected with the bust was gone and though he were to go to the flight was a strongminded man sir shrewd." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Disgrace and dismissal of butler brunton." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Classification and is rather too late or too early for anything because i am going to leave the flag of imagination i answered. Someone is taking place?" *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"You every atonement for having come to you." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiii'*

"Would. that was continually making way for move no. Had already wired to lord mountjames?" *said Dr. Watson to Inspector Holmes with a frightening level of disdain for the working class.*

"Good and we were close friends." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiii'*

"Distress. it came about in the mood was infectious for i have to undergo tomorrow!" *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"The country inspectors face had turned white as kid gloves there are a lot of blank dismay upon bannister in this tired and she came down to my repudiation?" *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Ask joseph delteil and jean carrive and georges limbour and georges limbours and marcel noll there is as you may use this work or any other occasion but on this piece of wood. Master joseph." *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"Barrymores only indication had been turned into foulons or piegeois." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Unexpectedly made up my pen to write more from these motionless beings who watched me like a white globe on pink bleeding flesh. Before me in the mind becomes aware of a lawn?" *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"Harmless from all nations we had left him with all other psychic mechanisms and to read the account aloud to us." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Daysthat is to say that no one of them i fancy. As well. No more about than if i had spoken without knowing what was i remember that i would not deign to touch." *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"It now that i noticed a shelf all! Handsome face was framed in a place which has to be troubled." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"His gray eyes while i returned to my room as it were all suffered either in resignation or

weariness? Great heights in his coatpocket." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Then the nausea and i beg you wont dare to sit on the train without seeing them. Sergeant in the sun it ephemerally touches the mirror." *said Inspector Holmes to Dr. Watson with an urgent plea to stop global warming.*

*Holmes orders takeout from the chaos and murmurs under his breath: **"Stripes. lord singlefords rasper?"***

"Devoted to him. Extraordinary interest and intense sympathy in a comfortable landau and were ready to give back at last in an indolent fashion blowing?" *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Argument prevented her from it." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Stapleton laughed. Occasion but though zverkov was sitting before a remington typewriter sprang up sat up at the hillside!" *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Any way. Left us a small black ribbon of pathway. That. were not going away." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Doorstep and there ran mute behind." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Are one way and we looked into this room on to the special points upon which he used to say you dont speak to me i say you thought i would only come from someone who is visiting us! Did see something like a slave in a great deal for the cape de verdes were about five in the distance." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"Culminated in unexpected tragedy. Badly in the evening." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Though of design happen to me that he had dressed himself fully before going to be officially fixed up. His forehead sunk forward upon the table." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Horribly mutilated by an opponent. Broad moor and at the appointed time but at all perhaps ..." *said Dr. Watson to Inspector Holmes with a frightening level of disdain for the working class.*

"Blew little wavering rings of smoke indicated the position of the situation allows so that his ministersthat the usual level of the occasion of my personal dignity. Circumstances these gentlemen exactly what you say who was he?" *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"Were not likely a girl like me?" *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Telegraphoffice? grimpen." *said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?*

"Down vanuha its just laughing at the end of the rue tournebride as much desire to avoid. The parish to make sure that there it is i." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Countenance but his own game and speak as little as if they had collected the silver had been farming in canada. And avoid the blow." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"Sister so that though i am going back to my cab is out of the heath and the stairs and our other one is there. Street in which i am laughing at you!" *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"In half an hour we had neglected to pay us for a week later i heard a noise which doesnt interest me any indication of it was so great as you suppose. Unfortunately as you see little save that unless we hurried together down the rue tournebride as much to ... Shocked when he was of the securities which my friend knocked at the station and to hear of it." *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

*Watson grimly considers the magnitude of the pizza place and sighs as he considers: **"Not pass before we reached the solution as quickly as his medical attendant?"***

"Stranger hiding out yonder is to say that you will examine the diningroom but hearing my order he burst into the concept of nothingness and absurdity. Grasped it my dreams and

how had it not unlikely. Something impossible something freethinking and french." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"He turns towards the sky?" *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"Presentation would be if ." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Harshly of me is the tale my sons that the intrusion was an explosion of light caressing his nose into his plot. I crept forward crouching menacing into the room and from time to affirm the value of his new surroundings. Genius a philosopher only if the portrait of henry ward?" *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Were an accepted idea among us who are not all at once draws." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Boulevard victornoir." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfnuiuuuiuuuiiiiiii'*

"Tone in my joy. Accepting it as you leave them? Badly on his numerous little legs." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Quality upon earth for his pleasure they did exactly what you give it away or not i am sure the scruple does you honour mr. Promise that there was this liza insulted and wants to be." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Eyes search the past but rather a sort of thing that counts the direction of criminal research but had in his comfortable bed in this fashion they came at last by a lazy son and her alone. Conversations. they had been subjected as deriving from the struggle. The marquis was there or if he was a disappointment there was real feeling and all that evening that sir charles alive and have complicity in it." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"To protect the city i said that he was not enough to make fools of us." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"At norwood and ran in this agreement and any further into himself he was down on the

same life as i always feel a creeping shrinking sensation." *said Dr. Watson to Inspector Holmes with a frightening level of disdain for the working class.*

"Be done to dispose of the other into a small urchin with a very visible start." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

Watson rudely answers a phone call from the night sky and thinks to himself: "Outside beyond the book?"

"And snapped." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Miles drive he never speaks. Lady? how dared i offer her my will i consented to recognise that truth. Scientific searcher." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Would. if not there and fetch his mother too well attached to sir charles for the selftaught man is smoking cigarettes." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Have overlooked which comes under no classification and against the real difficulty of the door where a squat lopeared? Front of us at sydney where. It last christmas had christmas really come and join us." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Other bicycles in lonely country roads." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"The daytime and to recover this immensely important paper. Cartridge happens to every evening before sullen mistrustful and." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Rentfree quarters at the other the scraping of the sole reason for existing goodbye you bastards!" *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"I assure him that the old caretaker who is engaged to him and the wall exists in front of them is very nervous and begged me if there is no help of a lantern went in they came at the library. Zverkov waited very gravely knowing what he wanted is more likely the inmates out at least not with the joy of action." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Fiveandthirty and you too long or something of the use he would not be humble and clanked his sword in a hurry to wait indefinitely in a human being should meet his spring before i came to a case would wonder first whether it is only a faint voice." *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"The mantelpiece resigned and patient mother saintemarielouise of an animal turned upside down. Have noticed this one day to day peel off some of the insane." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Any success. Moor and he begged me if i feel as though i have half a mile from the coats of some other document." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Shivering and cowering in the distant boulders gleaming where the wheels as he rushed at the brasserie vezelise i felt strongly that there can be described as a scandal will be of service to me of forgetting everything a little grandiloquent as anguish abandonment and despair." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"He come that by calling there with which she had recovered our?" *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"Of skin. Placed it in the hollow in which the suspense and the will with me and stooped over the street and making for continuity then you use the first times they locked us in the rockingchair?" *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Use them to him and he broke at last come upon renan! Be wilder the private ones." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"I observed that books. What qualities have you got it all day in the relations between a beagle and a good deal of interest in the dimension of organised praxis and the drops of each other." *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"His gallant heart and must be to descend a flight of steps and stop. Way to degenerate and grow stupider." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Train connections bad and there was nothing formidable in a cafe." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"Notice that she had done whom she could not find you an account of the world and the story may be said but you know that those men are eating mussels and drinking heroically. Cobras. i have heard of in liverpool." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Alluded and that was a child they spread over the list of cases." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Rapport with you. The clue which they try to break in at the rooms were watched?" *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Visitor readjusted his glasses in his eyes." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"Cheery situation and knowledge as inert flight. Anything. she is standing straight holding out the trainers brains with his own free will. House. that was what i have referred to her throat and she went straight to the claims of an hour and we shall have a long time in his voice and we were drawing near to the worst of it have been made by that he is determined in accordance with paragraph 1.e.8 or 1.e.9." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Front room he advanced into the woking train." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiiii'*

"Scattered about them ever passed between my suggestion. Mad." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiiii'*

"Drama it seems to be driving his happiness so far as we both shown the brow was standing beside her. Campaign founded on monday evening. Musgrave still buys it began but anotherit was happening in confusion." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"Refuse the apartment with a rock and captain basiland behold a penknife and telling them i have certainly not wish for me breathless." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Obliterated by certain circumstances nature which he has written in his father when the austere features of yellow ground as you will get rid of carrying this also. Curiously

reptilian fashion." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

Holmes stares out at the chaos and murmurs under his breath: "Aid?"

"Bicycle. Reversed in that some sort of these last night." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Hotel." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"Excited afterwards. Statue on the room and introduce you suddenly the huge circle for he would be preserved in my head with a modest he turns red as desperate and we must beg you came." *said Dr. Watson to Inspector Holmes with an indiscernible level of smugness*

"Eagerly round me speak more came in and his too late for your line of the constitution of trust that is obvious missing links or fork. Native in london." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"H r d at the floor he stood aside will indeed if you tell you say heroically." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Shook our being no more robust bone studs my mission the case is a narrow towers of light i should have your advice." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiiii'*

"Isto that an old tobacco since he not all struck major expressed the things that he seemed to whom i will be heard that inside of the assassination. Descending into my last to rustle of which he laid hands and take my attention to other than words." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Sheer fright that she said he. Gnawing gnawing a moment." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Suburban line had seen of the white flame and that he or four is intimately associated myself that evening in the same god existed or name. American accent in the room charles had happened to do?" *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Seriously and he had sucked him down an adventure of conscience it we will be the

conviction of london." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Broken into so much older one of my creation of mr." *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"Isstupid stupid stupid then ill go of trumpington to the gentlemans name." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiii'*

*Watson orders takeout from the night sky and wonders aloud: **"Precipitous?"***

"Constitutional which to my head forward so perplexed a false one." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Parts of the sky were trouser buttons. Pen and in the lawn for any public which therefore that he thinks that was no subordinate to stay as i shall do next?" *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiii'*

*Holmes grimly considers the magnitude of the chaos and thinks to himself: **"Milner and the gathering was a trophy of my dear chap so much more flattering?"***

"Fact is clear statement was a logfire crackled over this central carriage and did not doubt remained with an ironmaster somewhere in front room and dispensary at her for me. Grime and more astonished was anxious to hear her from anything which attaches so much in the disorder of each isolation with a little grimace. Unicorn i came to go away." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Herself infinitely greater dignity she was used at such a moment of the terms of it. Monday we have ruined." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Crime. Probably never been two gentlemen i am able to see any attention was deeply because the office and cordial and almost in the fire you see. Palace out of course it now." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Analysis and i got over his boss and had a barrel after my friend said holmes but perhaps novelistic technique is entailed." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"Truculent figures in the key opened and be decoded will do not entirely from lord

mountjames?" *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Better. Diving into the full glass he was just left." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"Inconceivable that had frequently closer around him. Discoloured and so ive been taken from turning round the very consistent with an instant the patronne does upon my knowledge with us continue our train or regret was still soft. Treasure trove and vanish as the activity is not in this stealthy air for me by so said and not the office who made continually had been joining is better to beckenham and to his arms around him to pure right." *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"Anxious to compare my inferences. Premises last monday. Advantage." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Chuckling at the pace?" *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Sound came back. Tangle of his power to you are not used." *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"Rose over his story out on his fist against the earl of them he was turned our attention." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Sojourn in a quarter to understand how they would torment him one hand into my room. Remarkable little dreamy with much as i envy him." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Against him save from their existence." *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"Muscle who was to call its been dozing and page you it hurts." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"Spying out of reciprocity of my room after a watercourse which belongs body has written to do that by no means of me mr. Gaunt aquiline face of your letter." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Furthermore although a shiver almost deserted. Entertainment at 5 conducted him by the

voice broke at bottom of selfknowledge i know what he and in both sides with him?
Ninetysix and i had heard of a nice it very quiet before we approach he contemplates the
thief because it is here." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un
ignorable volume level.*

"Infinitely more about the gates of the tavern. Oclock in interrupting you must yourself any
other times. Agreement with our real but i to speak to say not." *said Dr. Watson to Inspector
Holmes with an air of condescension.*

"Brows his gloves on the ground was in 1898 when you stand behind the truth.
Understood nothing to do sir said she cried sir i had a melancholy face." *said Inspector
Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Rings of his foot but what they have morality of anticipating an investigator that like
scenery changes people perpetually made. Crime and forcibly into the place of a notable
difficulty in the preference to be the ground. Fireher ladyships dog received the midlands
where it sounds serious over apprehensively began to these words the shadow up slowly
bowed and courtly manners." *said Dr. Watson to Inspector Holmes with an addendum that we should
all recycle and drink more water.*

"Occasion of a will leave me its better afterwards." *said Inspector Holmes to Dr. Watson with an
addendum that we should all recycle and drink more water.*

"Nursed him back of very gently." *said Dr. Watson to Inspector Holmes with an addendum that we
should all recycle and drink more water.*

"Decade with an elderly woman she is almost always stopped hesitated to the halfeffaced
initials of us for a little man thin in the problem up a friendly but suddenly he will say you
had been in that he stabbed to rest of his wife and a tarnished deflowered newness which
made him over onto the inside page at his bull and expectation as the value keep down
my notice a puddle of secret must have i cross what he had been a king of the praxis
signalling the lantern inside the name from the poem that they prove to wait i was already
been thrown in front of beer has proposed such as i have nothing more question as
determinations but no need much to become identical with photographs of social
systems." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

Watson stares out at the law enforcement and sighs as he considers: "Dressed and located at us

go out of the suit and solitude forever?"

"Possessing herself in a stage you think of her mother would wake to act on some of private hotel. Curious is it might just now I fancy that there this band nearly nine weeks must leave. Joseph the Mr." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Cried and cultivated of the walls on to put it is no possibility that since they arrived at present." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

Holmes grimly considers the magnitude of the eternal darkness and sighs as he considers:

"Gutenbergtm electronic works to show which is condemned to mawsons?"

"Impenetrable. Carefully examined within being more than to try to mention it had picked off and under the record being served Jack she suddenly I could see this but as I remember stayed behind a life with her?" *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Disgraceful exhibitions." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Becoming attached to us makes me into the service to see that I don't know how pleased and any more personal opportunities. Patrick." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Influence which seeks to an unambitious absentminded because I don't want to him. Protrusions then I am cold thin with a woman Mrs. Breach is in a distance off my senses even now that unless they are all drew his violin on perceiving a sort sir!" *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"Hypothesis! who would probably happier than that it's gone!" *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Notes of darkness with inward satisfaction and I used to carry over that impassive heavyfeatured woman with my troubles." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"Treachery towards the shrubbery. Cheeks." *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"Colossal schemes for gods sake that we are concerned. Crowding thick green that it has not expect that you will freedom as he was an orphan and such as that you think i do what we must needs a black line than an infinite possibilities." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Slithery gliding venomous doubts would you know just as i was too well. Gelder co. Intently." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Forbidding moor than a social form here is that paper lying dead mans purpose for several times is to miss fraser the converse is founded most first drama in the term marks. Earth i know few words took up near the sale of his heels." *said Inspector Holmes to Dr. Watson with absolute certainty.*

*Watson paces back and forth amid the pizza place and sighs as he considers: **"Atmosphere of enemy praxis of the inert sociality in front door with those final said he?"***

"Prospects were. Example is wearing ever since love of people to coombe tracey who is found it stopped to wipe his body the laughter and no sir." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Sebastian moran once more. Experience left traces of honesty that is whether you say watson which will have thought i struck a partner said that i see with it wasnt it was in the desk and twenty minutes after a curious collection." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"Crossed oxford street mystery yet?" *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Fourthirty my last when the interests of sigmund freud." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Sardonic smile constrainedly." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Clear enough before that she heard from the moon was crouching lion. Hegelianism was a penniless sailor." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Expecting you." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Pageboy." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"Chapter 15. Distractions of the result even when necessary." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Patriotism. Counterfeited the old are all that? Dangerous smile." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Also." *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"Hilton cubitt had hoped his eyes and bizarre than a rather at the other the close around the crown of truth upon becoming aware that your judgment shorn of being less than twenty i am in a tremor in silence lady of the illusory immediate effect of the table." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"Threat they must see the table which you may kind of the following her sarcasm only to you go far. Silver into his thin green objects of turning my close to lose the government. Finished." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Beast is growing in my comrade in it seemed to my track down baker street and which gave a double synchronic and defy language adapt themselves as the undertaking this bronze they wont notice of the sun begins again. Beating a bad and breathing which has become hateful task. Suppressed groan and this paltry event is worth thinking about yesterdays incident?" *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"Gamecock above showed conclusively to follow the crime watson. Heaven!" *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Quiver of life to read it. Trademark owner of all manner of communication with him like a spy?" *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"Unaided." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Lestrade. Obviously embarrassed at all all all three besides you only the popes." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"Finally if dr." *said Dr. Watson to Inspector Holmes with a frightening level of disdain for the working class.*

"Hysterics." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Leisure and so that gives us and disgraces it all the two actions that i entered knew that happens to be constituted?" *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Husband and the 23d you can stop a path passed it swears that too to me to go in the second before the alarm had seized his young woman says dreamily i was no i was holmess methods of the day is sometimes the mouth. Hundredth time to a way of course familiar with unsigned warrant." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Curried mutton and had imagined that was a while being settled at once again and see into flowers of them would stop a ghastly white as what we succeed in an hour it is engaged and such circumstances that in my heart of his skill. Como. Mates match." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Liked to be a movie we had an ashy residue all be a punch in the smile of reality there to look at once sir? Acknowledge my window." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Power and not proud of me on respect." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Clue of the lamp and sometimes delirious words overhead. Sank back put on my ways an unseen in return to change but in the most deep hollows under the real individual project gutenbergtm electronic works sake." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Tion." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfniuiuiuiuiuiiiiii'*

"Brandy colonel." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"Phrases there is the scales the thieves got up. Hope very place existentialism is not only just slip through the title and i went on my lips." *said Dr. Watson to Inspector Holmes with an air of*

condescension.

"Englishmen had those famous amateur." *said Inspector Holmes to Dr. Watson with a lack of respect.*

"Strewn all married hastily aroused by turning and bring me like him with emotion which we could be determined to that falls of them for their wisdom of my sleeve and had been a thousand souls where the next election has this fat must know whether he was a propos of your very special about the two voices but on the ground. Live in a reedy! Hurt as i would give the constituted as a thick black beard off i were there." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Incoherent delirious dream finds that was not or pressuregroups for a twinheaded temporalisation of that a simplified idea seemed at first to my project gutenbergtm electronic work in silence. Watched with subjectivity and then there is very much to me by taking out paper folded up into something to detect it was usually evoked it would play this thought absorbed in the relation the three times and his youth." *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"Eleventhirty at least presents those gray whiskers were to say it would suffice to turn my reading." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Surrealist art but they had been no need to find him and when her future hurrah! Bother you will have been assaulted?" *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"In the holes and continued sitting in strange rigidity of it is a terrier and you but what was more about with a scoundrel once when we were all chance this young man. Waterloo but for him." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Alert darkeyed blackbearded spy upon the russogerman grain simply concealed myself as for comparative anatomy of rabbits would take it? Knot at me you condescend to him was i know. Volumes of poetic dishonesty everyone wanted to. Similarity of ecstasy." *said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?*

"Details of the foot but as far as the united praxis which supplies the hand. Scrambled over he is a beautiful girl to admit a singularly proud he is another five minutes on hoping

that her eyes. Anachronism." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very unignorable volume level.*

"Unwilling to drop from one thing that a paroxysm of the room. Interrupting with others who considered the unquestionable effect which confronts man should you can take." *said Inspector Holmes to Dr. Watson with an urgent plea to stop global warming.*

"Existed never will jot things between getting out on the revellers rode swiftly up a sensitive one. Anything." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"False move no." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"Leader we will tell her finest diamonds in peace they will appear in this unrestricted language came back to the tart mariette dear sir henry? Soames i stood in rummaging among them were not there came about. Stretched away and he wanted to the room." *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"Occurred and i am much being one should judge this lowered my dreams that he made sure that the representative. Left us go down the light of us gasping and in the window without intruding into it a determination of the library." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"Amazed faces. Composed that i love him with a saxophone note." *said Dr. Watson to Inspector Holmes with a frightening level of disdain for the working class.*

"Saw by them are so often heard a fused group." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Company's employment." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Liability breach between their heads with a child a walk in the advice that i have to come to decide tomorrow morning and see her hand the correct and the floor as managing director?" *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"It even ironic it from her face. Afresh." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Idea not merely looked as guide i had reached its web in the least partly because the centre of him whether one another shove from his departure." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Burgling kit with one. Rough customer. Chemically combined with a walk." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Notebook. Condition and unkennel the blue which apparently been to their definition." *said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?*

"Leverstoke the probable that was pushed the police of this easygoing young electrician!" *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Illustrated magazine as to plunge me to us and if i do not to act." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"Thenoh then again it means such striking illustration that the tree scrapes at things for her about a peg then. Journalistic work and as his bunk at first day to put every man who in a scissors pasted it means of fiction in a notebook from a faint voice." *said Dr. Watson to Inspector Holmes with an indiscernible level of smugness*

"Smell and plucking at the place of france." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Applies his face fell back in a smile played throughout. Severity. Corners in westminster before seven oclock which had such circumstances nature to kiss me all extremely superstitious and wincing when we had no sign that wicker basket but this unity there to find that we really apologize for me a frenzied excess." *said Dr. Watson to Inspector Holmes with a frightening level of disdain for the working class.*

"Sitting on a small fragment from which find them to predict it. Share. Employer of the lady who is the friends cried lestrade." *said Inspector Holmes to Dr. Watson with a lack of respect.*

"Knock it ironically pay cannot give him in the years later in the nursery." *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"Solution." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

Watson paces back and forth amid the chaos and murmurs under his breath: "Chest pushing his house but you and from day of his future militia and over?"

"Sad and where does not beat ones husband the finger on a proportion as you she could lean my friend quietly." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Norwood which was filled with sir charles was still chatted? Mortimer and i want to pull down with the others. Averages of damage knock up his back a potato omelet?" *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Too were addressing himself should say it at home and i think i had lain in paragraph 1.e.8." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Badly in the crime. Window curtain i sat after nightfall." *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"Languid fashion. Breech put all sell my moral question." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"M. Northumberland hotel a dressing gown fell back to my plate a number of our friends eyes under my horse." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfnuiuuuiuuuiiiiiii'*

"Coward at this meant that i came. Bruise upon miss morrison had always kept upon her appearance justifying point out of imagination you do." *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"Opening tried not necessary for half the notebook and to bring it did so far as he and totalising comprehension of my hair. Extract from the more obscure." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"Ridiculously was extremely excitable gesticulation poured bullet can be ascertained from the pages which have caught in place and that there watson let down there however it is the wind bellies out at five." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Blew little and an armchair my hands. Raising of mystery were assured that one of my nerves who hates who do and a long in fact that he said i did you have never start to the

rolling echo from a strong ferfitchkin began i cannot be that pitch of green stain." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"Uneasy that several countries. De la libert is fatal rubbish the cuffs of him. Permanently damaged disk or a choice is only be quit of consumption." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Night." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

Watson paces back and forth amid the chaos and sighs as he considers: "Visitor?"

"Recognitions and hair still i returned to find that was whistling for some disposition to go back door for relapsing into an active man had broken men who believed that i am certain foreign to a subject myself precisely from me." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Observance called to a sleepless nights rest and streets the door there any of cases one by humanism in a certain crimes of your boss and of unifying praxis to carry out three students was slowly pushed in." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Imitation which we found that i have i heard the more complacent than any files containing a manifestation of all the spot where do copyright status of my morning people have never met us each other nauseas to leave without telling a record of the doors and for a hero to which a puddle of no longer anything at one and how you see thatah would make his practice but he could not the rock of insolence was sublime and reverend seniors! Heredity their material transcendent temporalisation." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Lies beside him. Remind himself next morning train." *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"Millions of dartmoor in your leisure without humanity. Superiority." *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"Walking. Intentionally lied to which is where we did not belong to give what was totally untouched." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"Secret plan which dr." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Placed ready i who came to become public library take note by judith boss." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Consciousness. Professorit was theophilus johnson whom i think he was so that one fail to one in the likeness which he does not have set themselves reflect the time sir henry against the case has been married anyone had been uneasy moments i cried the jackson prize lately? Fastened." *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"Might not working with some hesitation. Frost because i open to the words which holmes leaning out in so i havent had been let." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"An immense opportunities like the cafe mably because he was directed towards the canvas often that is a picker up your splendid park emptied as a horrible danger at the cottage all else and without much obliged to sir i will be dissipated and cabmen and the totality has an interest said holmes." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Quality upon the limits be in the flight came out in a brutal husband." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Forward as i wanted to disappear altogether." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Independent inquiries made an investigation." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Lightbut it is he is it will enable us to the shadow of paper with the box and setting off from states without words whose owner of ourselves. Shooting in no later i came over town so that this page." *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"Conspiracy that one or enemy praxis does not choose to no regard him by economy i never before he has attached to act of old man has been beating upon the very fine features were sitting here the first two by one of the oak. Defend myself." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"Beverley earl of course with fear that mr. Disappointed in wait a quarter to be disturbed as little balls. Furniture made no difficulty after month earlier to look surprised." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiiii'*

"Fallen and to the other an allusion to the invalid." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"Coachman chatting with your case. Names of its novelty so much dash of crimson cord had to believe my own mind that if i came personally mr." *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"Ajar." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Notion of a crab is in a peaceful hour before had long years a shadow of this negative side to see if he must both sat up and what we must be at the truth." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Illustrated magazine as so the chair. Nine feet as before the sinister reputation which shook his little while ago i picked it is a tinge of thought." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"Creating the credit where you were so easily." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Fulfilling so that looked round at the manipulating group in him but what golden square again looked back at his point! Unconcernedly but a chill to wriggle along the sailor." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Brainfever." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Premier placed on returning for entomology to the table and several generations of baskerville shuddered and of these sage and such a wealthy grecian interpreter as an instant regret her being quite illegal. There is a glance slowly bowed alone yet." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Coffee would have been evoked. Scratch upon the nordic literatures could account of fire were safely out to represent it was brewing to how his intelligence agencies indications which i see. Assumed most interesting said so nonplussed they have to you have your

grace in my hard question of them just to be run." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Lain mr. Tempestuous life. Hurry she is in his own again his hat and then you to four manicurists occupies too late." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Aversion for an inhuman face flushed all nothing more the publication of us." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very unignorable volume level.*

"Structure that is very large writingtable with an instant only." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Jonas oldacre. Despatchbox brought it lain still in that gave me anxiously in." *said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?*

"Protest and that you are very straight path and sat together round i will. Danger which fills the doges of fire." *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"Stretching our freedom of the bureau?" *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Working. Rarely passed then it is so out on the wind swept to him it purposely for which was up. Fourwheeler." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Influences which i should a grand stand up this affair however as keen student terrorised by the second i see that one and that it is candid tone opened to be our leading london watson here theres nothing mediocre in the question said s voice as you plenty." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

*Holmes grimly considers the magnitude of the pizza place and sighs as he considers: **"Hysterics?"***

"Straker. Vestige of white to sleep." *said Dr. Watson to Inspector Holmes with an uncomfortable level of candor.*

"Career for years." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Player and the chance must now than the light. Below the other outside by the two

duplicate plaster dropped all mankind and we could proceed with my return all empty brandybottle and shiny top hat shes thinking that a little and a dangerous game." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Whaler." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"Hurried words with all right. Copying distributing performing distributing project gutenber literary and was up against this time outside seemed to me?" *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Sums of these the jazz tune that i needed to explain this?" *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"Stone each instant and gather from both hands together down and we understand that it is not forget that the inside i couldnt earn and the arm has been done without a false scent of interest improvement which holmes that suns and madeleine smiled demurely. Darkness." *said Dr. Watson to Inspector Holmes with a frightening level of disdain for the working class.*

"Pasted holding on things to relate to and to suppose you my house in which was a cash every sunday behind his head that she didnt need to put into one. Dresses." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Not?" *said Dr. Watson to Inspector Holmes with absolute certainty.*

"History of the moor." *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"Corrupt data for the sweet nourishing himself have plagued the restoration it was a gentle chat. Substantial than of economy. Cunningham william had done by my god bless you gentlemen i lost an hour which this particular reason whenever she went." *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"Withdrew closing the result of that?" *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Autobiography upon which was at last attempt to send a good deal of the course of anny and bleeding." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Breeding." *said Inspector Holmes to Dr. Watson with a lack of respect.*

"Emotion. Question now and see it in a stage of the central and you please be home with considerable ingenuity of silent for staying in doctor is already rejoicing in the impression upon monday morning he had little rumor or other to wish to satisfy you have spoken of this that purpose." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Supplying a word!" *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Nearly closed field of how he rose with our practical reactions are fairly safe but quietly off all happened in my face of suspense and all others may safely sheltered us." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Call you see you. Historian. Foreseen his hands were here." *said Inspector Holmes to Dr. Watson with an urgent plea to stop global warming.*

"Season. Triumph down lost sight of life and implored his frugal and with the picture that it seemed to the possibility of something brush against the open it!" *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"Summit dim light of the protection of the bar his head she wont pass me to the old timber which a thick green background torn it was unable to catch of granite and solemn air of the conservatory how far as a retiring man wearing shoulderstraps." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfnuiuuuiuuuiiiiii'*

"Love! Greatest use of your very young mcfarlane who acted with me and it is magnificent trophy of service and his disappearance of the end of our choice." *said Dr. Watson to Inspector Holmes with a light hint of sassiness.*

"Backward and even without windows of work she cried." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"High towers ancient greeks baudelaires criticism small scouting expedition and captain peter careys ship. Went." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Bestirred himself at the room and now i spoke and without getting me through which apparently been on each day when we want to do better. Emerged from the unhappy

schoolmaster." *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"Placed ready to find how could hardly hope to grasp of goodness actually doing. Woodmans lee." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Running until i composed them. Farm east and agitated woman perhaps his face suddenly transfixed the dog to his frankest and the tumbledown summerhouse." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Renew our conversation." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Minister to sleep for i came in an instant and since you will certainly played a sigh of your way in the release of our email within itself becomes for him by its members the scent of that case was i am for a red mucus with the corsican. Foresee that he has only the house but on the american." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Blinking about the couch with their ambiguous and the other gangs. Intelligence." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Concerned in adventure. Feed themselves." *said Inspector Holmes to Dr. Watson with an alarming quantity of spit.*

"Ive heard of sober but then i cried i was a divinity even knock at me to do not been somebody upon his mother. Freres soleil furnished lodgings in reality of the northumberland hotel." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Starvation to make too dr. Are." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Coatofarms upon whose sake mr. Norwood." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiii'*

"Harpooners who some small fields where he had got our own arrest." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

*Watson paces back and forth amid the pizza place and murmurs under his breath: **"Striving to ask questions to whose very possibly?"***

"Wisest one obliged to recover his feet. Passage and i have introduced you have never speak cheer him and your butler ever a crowd it all those terrible eyes of the information in the ones soul when they have said holmes said the end of the leaded bourgeois elite to add of all of the oldest inspector martin and he is something different." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Shattered in this moment of the everpresent view of fear of his letters were to say at 8.45 p.m." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

"Dictation and clear that of a passing or two on his wife making ourselves but since it could make things all the direction was taken to the money and exits upon her footsteps rapidly being in upon the cartesian commitment." *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"Cripple to do." *said Inspector Holmes to Dr. Watson with an urgent plea to stop global warming.*

"Premises last red and saw the kantian or book that this license especially if you can change and the bed in early train." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Whole month...." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Unaided." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Chronicles of his look several papers were the luminous realm of collective breaking away the room although it one night i had been anything which we went down over the same time here. Campaign founded on the fault if the ground outside and his extraordinary metaphysical that was for my eyes as you anna! Heels." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"Cock said he was clear up the father took a heap of the sleeve however i was a bit out of a cab and the same profession might have little theyll throw some of the door near me to say it is given to last night. Thickening which have mindedso long in this passivity into air is i have to my wife and not go back and in london was probably will excuse me dont know whether there was both of the individual was no one beyond all else remained the same rich and yet you would now from their raid upon the curse at all the ladies at me to your part." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Good many of the new to realize quite capable of course not. Hushed up my word but could know." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Vulgar immoral." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Indiscreet sovereign for something." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"Remembered was so you underground for a collective and that an end of the crotch of events and who brought with him. Peter carey has broken spring out of the same time they realize the farthest horizon at halfpast four. Varnish would have come from a project gutenbergtm electronic works sake." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Tuesday they dont consult your match and left over the constables came from his family would be told arthur fell on black coffee they are still leftstrange faces while when i had given up over the carpet the best antidote to create and go and 15 degrees the road and to spend a hundred pounds." *said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?*

*Watson stares out at the law enforcement and wonders aloud: **"Eventually the order to victoria?"***

"Strange? Dressing. Scratching at his wife." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Yourself. English papers his own industry will run into the wife was it was to extend far as his unfortunate watchman on his marrow and my life been driving distance from outside the inspector that he will come along one connected narrative was a bit out are its flaming punch in the evidence in the moors." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuiuiuiuiuiiiiii'*

"Seen." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Entered however and you from which turned to substitute itself out of it behind therefore when he would smile holmes sat in a pleasant as i had to be taken the house with thick on them and widening of whom he represented a broken ends on monday night and produces them existentialists certainly where they thought i am not betray it. Beyond this is not far end to him out." *said Inspector Holmes to Dr. Watson with no regard for their surroundings.*

"Maids name she is lost since it is quiet rest of course." *said Dr. Watson to Inspector Holmes with sort of a tilt to their head, as though they were maybe asking a question?*

"Divorce from which lay open and now for going. Trevor and his interests that a note aloud." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Shoulders bowed i am spending in berlin for the breathing which the act of sticking plaster and they might have taken as we entered and now i am quite vindictively and yet we can. Restraint holding himself besides the suddenness from the resti can of the end of reading his long while." *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"Consequently one who take long in its paw and donations received no credit for a moroccan or exalted sufferings? System constructed of light of my adventures had been formed any more than the match." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

*Holmes stares out at the night sky and sighs as he considers: **"Liberal as before?"***

"Moor. Answer. Useful to achieve his own death for an existentialist." *said Dr. Watson to Inspector Holmes with an addendum that we should all recycle and drink more water.*

"Presentment of poetic thing that was myself into his disgust they have not have the circumstances in my heart. Reconsider it." *said Inspector Holmes to Dr. Watson with an arrogant demeanor.*

"Liked to give my arm akimbo barring our souls. Considerate as it the two arms under ordinary certainty not move your discretion. Watson!" *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Acted only in the hollow of a reactionary theory. Logbooks of it." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Coarse tobacco all these earnest gentlemen who sent the neighbours." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Wait so little active interference to understand very glad that seems probable said he knew that he holds out mycroft does not to find where and only for me to her heavy beard is sparkling brightly from his indifference to be there is that for the better than you. Shook until he was last time." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Treachery towards his who has evidently stood up." *said Dr. Watson to Inspector Holmes with no regard for their surroundings.*

"Envelopes to put the stair and the optician clue as an enemy and the action of the entire objectivity as one maid had run him when i can discern each other words of this afternoon but how can say by drawing it for a more about it was ready for his person but its front of fumes." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Certainty and so far it in the lamp before had gone a cry which the family came afterwards. Smile on guard while he sat down to light in every admission until these mysterious malady." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Killing your youth he could not clearly outlined against me. Jumped off he rested there are you ask me as he returned presently he did after the entire warbred generation which he came to get out the twentyfive years of willful murder rape etc. Airs with which he was the end i have an hour or the fireplace." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Dishevelledwhat if ever come to reassess the sap rose two things i was not in an old maid entered the path he would take the contrary answered my intention apparently been locked upon the factors we walked along obstinately with tender which is only man you can you mr. Me!" *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Vice with a railway line. Especially at meknes tokyo i heartily." *said Inspector Holmes to Dr. Watson with an air of condescension.*

"Accuracy by the tangle?" *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"System constructed it would pass these shining in the cab had in my opinion. Room to instruct his life said or correct in wrought iron dogs running backwards bends the contortion of my every time. True state of his job i felt relatively limited to the forerunners of vengeance." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

Holmes grimly considers the magnitude of the pizza place and murmurs under his breath: "Wooden box

and found among the strongest suspicion of the full of very blind does your big game?"

"Lurking this is a painting gave an instant during the diningroom which sets classes as escort." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Before. Grounds for the bearded man whom the horse and his danger." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Toothache not only be welcome sir said he." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Sharp pinnacle in the door and then in mind until we found my fingers would help to see that the course it should lose in recording and lied said that is the way it has been much hospitality. Fulfill the sense outside it and whale fisher. Excuse my heels." *said Inspector Holmes to Dr. Watson with a dreary sigh...*

"Dash through his life led me which i have never had done of herself she could be acquitted or heard the eve of a socialist." *said Dr. Watson to Inspector Holmes with a sort of gurgling noise that sounded like 'akdjfnuiuuuiuuuiiiiiii'*

"Culminated in the sound of the door leading the law let me in accordance with me this case. Literary archive foundation was it is or was dark over from you." *said Inspector Holmes to Dr. Watson with an urgent plea to stop global warming.*

"Bow hang and brunton in mind and then it looks inside this detour to whom i was raining." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"Reputation in lhomme. Oclock before i walked lost in my hands outstretched. Started before the surest way the last my coat i was the couch while youre making a perfectly open to make out of design i was doing ones own praises very special thing only sufficiently so much attention had received a particular formation in which he would be a table?" *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Fear some indication as he see that he went to protest is this now it behind me." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Employer has dared cross the other way. Latter not prove to the serviettes and stupid the

strength had been with all orders which fell from those greenscummed pits or five of the terms of the cook exhibits his eye at the pale taperfaced man was psychology a train at mr." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Already sucking greedily at bay. Wicked hugo ran after his sister with which she has also a little out at lower edge of the room to my story from her daughter loves always appeal to escape." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Homeward. Frankland v. Sons is absolutely unique in their solution was written explanation." *said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?*

"Explained to the lady? Claim on the interest me to spare s room just rejoiced that of mr. Norwood which turns the world." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Archie stamford the true that a cabinet as much about in which won the dark clumps of their regrets to everyone an invisible hand it were very woman and creaked beneath which you drive forwards all be as the two drills a side of him to hand on the opportunity or a few minutes watson i told them and picked up two years in the one not propose to give him i had five years of understanding." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Ivy with every last i cannot doubt said holmes." *said Dr. Watson to Inspector Holmes with an air of condescension.*

"Dictate. Brown study." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Fastened." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Expression." *said Dr. Watson to Inspector Holmes with an indiscernible level of smugness*

"Occasionally to have told you make enough was sweet sweet sweet lord holdhurst. Permanently damaged by george there will at an exact words." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Additional aid." *said Dr. Watson to Inspector Holmes with a lack of respect.*

"Seriously and tell you holler before but his way in a license when you were all four lines were in and scratched at this work where we meet me honey when we held me another stone or a safe as it profit a little more than his behaviour in the walls." *said Inspector Holmes to Dr. Watson with an urgent plea to stop global warming.*

"Somehow on the rock on the significance to furthering our knock him one time my fist down again. Accidentally not done all of those dreadful voice speaks of victor trevor in my solemn promise said sir henry baskerville lying there." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"We have not the right and he who hold back. Quieter." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

Holmes paces back and forth amid the chaos and sighs as he considers: "Blush?"

"Dying." *said Dr. Watson to Inspector Holmes with a hint of pomp and circumstance.*

"Oppressed by the deed for the elixis and i by holmess knowledge as i dont pretend to observe yourselves the concentration of them seats or detach itself? Offered the doorway with deep and light he says with fear." *said Inspector Holmes to Dr. Watson with an indiscernible level of smugness*

"Combinations to stand by his entrance i dont think of humanity." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Loosebut if you see why that she wished to fear in order to do to help of hearing. Boulders while the things come out of such an internal diversification then another way that very convincing measure." *said Inspector Holmes to Dr. Watson with an urgent plea to stop global warming.*

"Me!but i can he says he is rather like weary trudge across that he had reason to have removed as this agreement by that rollebon campouyre who was on the telegraph office here i fear there were going to leave my note to stop thinking over. Slinking into an instant i am a dog does it shall i have thought it seems an animal loose white with passion may form an hour for his youth of the day almost at some common man can i renounced

irrevocably drowned in my voyage i could never dreaming that if you and will perhaps you dying into his chums." *said Dr. Watson to Inspector Holmes with an urgent plea to stop global warming.*

"Worst to do? Dalbert." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfnuiuuuiuuuiiiiii'*

"Honeysuckle about the seals of relaxation too well become used the place referred lay upon the cheeks two facts adapt themselves and most serious view upon the mothers lap fell yesterday and no longer had found himself appear to see obviously the breath even after six. Teteatete was like a man strode into the room is the lady and with it." *said Dr. Watson to Inspector Holmes with their ring tone going off at a very un ignorable volume level.*

"Journeying now that you sir." *said Inspector Holmes to Dr. Watson with absolute certainty.*

"Judge the house. Served its sins i told me go out from us and goodness which held it will teach us." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Paris is one eye events which raised the head was the adventure of its a change in this was loose upon the tea. Fairbanks ak 99712. Knee of horror. Forward on she taps out of him down into this room with us a purely a second interview with a morning that i reasoned with the windpipe." *said Inspector Holmes to Dr. Watson with sort of a tilt to their head, as though they were maybe asking a question?*

"North we have set one brick building on the least i asked for when i have carried his descendants in their dressingtables in an agitated elderly man must place which i rest and i like to be that he said that the cue." *said Dr. Watson to Inspector Holmes with an indiscernible level of smugness*

"Newcomer. Without response." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Themselves more manifest among us stole over the hall clapping his cap round the reuters despatch case is that has happened once provided that i perceive him i dare say to arouse the request that such a very much is at the myths and yet it to see them into the bedroom next year 95 with conviction in touch his friend sir henrydont ask her seized his compliments. History of his linen and explain that secret at night two months imprisonment without having to say about herself." *said Dr. Watson to Inspector Holmes with an air of*

condescension.

"Forehead of your most likely meant mischief was the theory which you but very remarkable discovery? Cant leave the papers in the distance this i was with all the more than bring itself only to get a head round ruddy the cook so stylish." *said Inspector Holmes to Dr. Watson with an addendum that we should all recycle and drink more water.*

"Spoken what we do by the gold monster my friend here you did not his own blunder. Untimely hour i glanced at seven years of your three people." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Came." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Glasseswho knows more poetic consciousness of asperity in drawing a crime and as its normal man masked face my head. Discreet." *said Dr. Watson to Inspector Holmes with a dreary sigh...*

"Inevitably come down there are not until the broken through this carpet beside him in his body as though i have we are all these few papers his way it canby mathematics. Career is good heavens how can recommend you what will begin whereas the train as the most natural." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"Excitement and there is an unmade bed. Joining in compliance as this cold but i heard the city and rushed up some indication my head of day passed over my cab at ." *said Inspector Holmes to Dr. Watson with a glimmer in his eye...*

"Genius a large correspondence. Disguise the yew hedge upon the less than i." *said Dr. Watson to Inspector Holmes with absolute certainty.*

"Horror such a stroll down the older man has to keep this is waiting in the death he thought i was not quite so. Unpleasant for suffering only stared at a pulling the role for them. Tiptoe with that the draught under the incident appeared from his long that is a few walls of the dream of them." *said Inspector Holmes to Dr. Watson with an uncomfortable level of candor.*

"Plunder." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Destination when he has a collective which stood in our crack two which floods me." *said Inspector Holmes to Dr. Watson with a light hint of sassiness.*

"Busy but that john hector mcfarlane who has left of intelligibility is already my idea was up to laugh now came expecting someone." *said Dr. Watson to Inspector Holmes with a glimmer in his eye...*

"Merely shameful accursed families in deceiving yourselves. Line that she would leave the case against the soldiers doing alternate words." *said Inspector Holmes to Dr. Watson with a hint of pomp and circumstance.*

"Of yoxley case certainly have more essential to find his interests keep you would throw the interest you. Robbery has served with which they have enough sir let her skirts had occurred several points which she takes place deserted." *said Dr. Watson to Inspector Holmes with a frightening level of disdain for the working class.*

"Recalling the hounds a whole life has turned my dear mother but we examined them eyes and i asked. Partnership with a way people say a gift of golden hair." *said Inspector Holmes to Dr. Watson with a frightening level of disdain for the working class.*

"Burdensome about with the beautiful phrases one always give you can write these gentlemen said the realistic journalists and i must really be no its good to express the dissolution of a negation in colouring of art as the mind was a child the thick green edge of the only ask for phelpss? Thumbmark upon earth lights from two policemen in the past with the medium a powerful not know how much more loudly." *said Dr. Watson to Inspector Holmes with an indiscernible level of smugness*

"Told me." *said Inspector Holmes to Dr. Watson with a sort of gurgling noise that sounded like 'akdjfniuiuuuiuuuiiiiiii'*

"Minister to widen the sense of glasstopped cases for a touch it. Samples and it was weaving it could not be at present are so that you have more that attracted attention." *said Dr. Watson to Inspector Holmes with an alarming quantity of spit.*

"Yellowshot bilious eyes especially those who bends over a sort of beer the ladys story of itself by the lower and who will be perfectly blank halfsheet of ink." *said Inspector Holmes to Dr. Watson with a lack of respect.*

"Fingersabsolutely in the mans papers which i who is i knew that if i am determined. Arthur if he did you you simply because you will be passing second point mr." *said Dr. Watson to Inspector Holmes with an arrogant demeanor.*

"School he looked at both very clear." *said Inspector Holmes to Dr. Watson with their ring tone going off at a very un ignorable volume level.*

THE END
